THE GRAND JURY CHARGES:

At all times material to this indictment, within the District of Arizona and elsewhere:

INTRODUCTION

1. Between on or about May 20, 2022, and on or about March 3, 2023, RITA ANAGHO, acting primarily through her company, Tusa Integrated Clinic LLC (“TUSA”), falsely and fraudulently billed the Arizona Health Care Cost Containment System (“AHCCCS”) approximately \$69.7 million for behavioral healthcare services, causing AHCCCS to pay TUSA approximately \$55.4 million. ANAGHO primarily targeted AHCCCS’s American Indian Health Program (“AIHP”), among other programs, and billed AHCCCS for services that were never provided and not provided as represented.

Background on the Arizona Health Care Cost Containment System

2. AHCCCS is Arizona's Medicaid agency that offers health care programs to Arizona residents. AHCCCS contracts with several health plans to provide covered services and works with medical providers, such as doctors, hospitals, pharmacies, specialists, and counselors, to provide care for AHCCCS members. Covered services include, among other services, behavioral health counseling services, such as counseling and substance abuse treatment.

3. AHCCCS administers Medicaid health care programs to Arizona residents who meet certain income requirements. The federal government pays states for the majority of Medicaid program expenditures. Among other programs and plans, AHCCCS provides care through AIHP, through which AHCCCS-enrolled Native Americans may receive health care services, including preventive and behavioral health care services, on a fee-for-service basis.

4. All medical providers who serve AHCCCS members are required to be screened and enrolled as an approved provider before AHCCCS pays the provider for medical services provided to its members. For a medical professional to become a provider in the AHCCCS program, the provider must truthfully and accurately complete a provider enrollment paperwork package and submit it to AHCCCS. Officials at AHCCCS review such applications and, if they approve the application, the medical provider is then permitted to begin providing medical services to AHCCCS members and receive payments from AHCCCS for medical services rendered.

5. As part of their AHCCCS application, providers must fill out and sign a provider participation agreement that includes a certification in which they agree to abide by all laws, regulations, and policies governing AHCCCS. RITA ANAGHO filled out and signed the provider participation agreement and certification for TUSA, which was submitted on or about July 13, 2022.

1 14. TUSA, an OTC, was organized in Arizona on or about May 20, 2022, as a
2 domestic LLC providing "Health Care and Social Assistance." RITA ANAGHO was listed
3 in the Arizona Corporation Commission documents as the sole member, principal, and
4 organizer of TUSA. The address for TUSA was listed as **** South Rural Road, Tempe,
5 Arizona, 85282.

6 15. TUSA applied to the Arizona Department of Health Services for a license as
7 an OTC on or about May 20, 2022, and this application was received on or about June 3,
8 2022. RITA ANAGHO was listed as the Chief Administrative Officer for TUSA on this
9 application. RITA ANAGHO signed this application as TUSA's owner. TUSA was
10 licensed as an OTC effective on June 28, 2022.

11 16. Individual 1 was the owner and operator of Company 1. Individual 1 was
12 listed as the statutory agent for TUSA on its application to be licensed as an OTC with the
13 Arizona Department of Health Services.

14 17. Company 1 was organized in Arizona on or about August 5, 2021.
15 According to its website, Company 1 provided credentialing and enrolling, medical coding,
16 and billing services for medical practices. Company 1 provided such services for TUSA
17 during the period of the conspiracy. Company 1 was listed as the statutory agent for TUSA
18 in its formation documents.

19 18. Individual 2, who was a resident of Peoria, Arizona, worked at TUSA and
20 owned Company 2.

21 19. Company 2 was organized in Arizona on or about June 10, 2021, as an LLC,
22 and provided housing to addiction treatment patients who purportedly received therapy
23 services from TUSA.

24 20. Individual 3, who was a resident of Laveen and Phoenix, Arizona, owned
25 Company 3.

26 21. Company 3 was organized in Arizona on or about October 25, 2022, as an
27 LLC, and provided housing to addiction treatment patients who purportedly received
28

1 therapy services from multiple OTCs, including TUSA.

2 22. Individual 4, who was a resident of Tempe, Arizona, worked at TUSA, and
3 was a signatory on several corporate bank accounts for TUSA.

4 23. Individual 5, who was a resident of Phoenix, Arizona, worked at TUSA.

5 24. Individual 6, who was a resident of Phoenix, Arizona, worked at TUSA.

6 **Investigation into Widespread AHCCCS Fraud**

7 25. The AHCCCS Office of Inspector General (“OIG”) began investigating a
8 widespread fraud in which residential and outpatient treatment centers recruited Native
9 Americans and other individuals to exploit the AIHP under AHCCCS. Because it was
10 easier to enroll as a provider with AIHP than some other AHCCCS insurance programs,
11 and because AIHP’s reimbursement rates for certain behavioral health services were
12 sometimes higher than those of other programs, these treatment centers preferred patients
13 who were enrolled in AIHP. In some cases, these treatment centers identified potential
14 patients and enrolled the patients in AIHP or had the patients switch their existing
15 AHCCCS insurance plan to AIHP, regardless of whether the patient was Native American.

16 **Funds Received from AHCCCS**

17 26. TUSA’s corporate bank accounts for the relevant period were three J.P.
18 Morgan Chase accounts ending x2208, x2216, and x3092, and one Bank of America
19 account ending x3081. Bank records show deposits of approximately \$55.4 million in
20 income from AHCCCS programs during the relevant period. RITA ANAGHO and
21 Individual 4 were the sole signatories on these bank accounts.

22 27. RITA ANAGHO controlled the \$55.4 million TUSA received from
23 AHCCCS during the relevant period. ANAGHO paid approximately \$30 million in illegal
24 kickbacks to various residences whose owners and managers in turn caused the residents
25 to purportedly attend treatment at TUSA. ANAGHO used the funds to purchase, among
26 other things, approximately \$1.3 million in residential real estate, a hospital for
27 approximately \$5.8 million, and over \$275,000 in vehicles and related expenses.

28

1 Approximately \$200,000 was spent on retail purchases, travel, and at casinos. Individual
2 4, who was also a signatory on TUSA's corporate accounts, spent over \$415,000 on
3 vehicles and related expenses, and over \$230,000 on retail purchases and travel.

4
5 **COUNT 1**
6 **Conspiracy**
7 **(18 U.S.C. § 1349)**

8 28. The factual allegations above are incorporated for Count 1.

9 29. Beginning at a time unknown to the grand jury, but at least as early as on or
10 about May 20, 2022, and continuing to on or about March 3, 2023, in the District of Arizona
11 and elsewhere, Defendant RITA ANAGHO and Individual 1, individually and doing
12 business under the entities described above, along with other individuals and entities
13 known and unknown to the grand jury, knowingly and willfully agreed and conspired with
14 each other and others to commit the following offenses against the United States: wire
15 fraud, in violation of 18 U.S.C. § 1343; and health care fraud, in violation of 18 U.S.C.
16 § 1347.

17 **Purpose of the Conspiracy**

18 30. It was a purpose of the conspiracy for the Defendant, Individual 1, and their
19 co-conspirators to unjustly enrich themselves by, among other things: (a) submitting and
20 causing the submission of false and fraudulent claims to AHCCCS; (b) concealing the
21 submission of false and fraudulent claims to AHCCCS, and the receipt and transfer of fraud
22 proceeds; and (c) diverting the fraud proceeds for their personal use and benefit, the use
23 and benefit of others, and to further the fraud.

24 **Manner and Means of the Conspiracy and Scheme**

25 31. The manner and means used by Defendant, Individual 1, and others,
26 individually and through the entities described above, to effect the objects of the conspiracy
27 and scheme to defraud, included the following:
28

1 a. RITA ANAGHO established, operated, and controlled TUSA, an
2 OTC, which was purportedly in the business of providing addiction treatment
3 services for persons suffering from alcohol and drug addiction.

4 b. To obtain and retain patients for TUSA whose insurance, including
5 AHCCCS, could be billed for substance abuse treatment services such as IOP and
6 OP, RITA ANAGHO and her co-conspirators offered and paid illegal kickbacks and
7 bribes to owners of residences that housed substance abuse treatment patients,
8 including but not limited to Individual 2 and Individual 3, in exchange for these
9 residence owners referring patients for treatment to TUSA. Many of the patients
10 recruited for TUSA in this manner were Native Americans and/or other individuals
11 who were enrolled in AIHP.

12 c. RITA ANAGHO and her co-conspirators paid illegal kickbacks and
13 bribes that varied based on the volume and value of the referred patients, including
14 paying more money to the residence owners, including but not limited to Individual
15 2 and Individual 3, in exchange for patients with AIHP insurance compared to
16 patients with other plans because the reimbursement from AHCCCS for these
17 patients was generally higher.

18 d. RITA ANAGHO, Individual 1, and their co-conspirators submitted
19 and caused others to submit, via interstate wire communications, false and
20 fraudulent claims to AHCCCS for behavioral health substance abuse treatment
21 therapy services that were not provided, were not provided as billed, were not
22 provided by qualified personnel, were so substandard that they failed to serve a
23 treatment purpose, were not used or integrated into any treatment plan, and/or were
24 medically unnecessary.

25 e. RITA ANAGHO, Individual 1, and their co-conspirators falsified and
26 altered, and caused the falsification and alteration, of TUSA therapy notes reflecting
27 that TUSA's patients attended therapy when they did not and/or reflecting that
28

1 therapy was provided when it was not.

2 f. RITA ANAGHO, Individual 1, and their co-conspirators submitted
3 and caused the submission to AHCCCS, via interstate wire communications, of false
4 and fraudulent claims in the amount of approximately \$69,692,496 for services that
5 were procured through the payment of illegal kickbacks and bribes, medically
6 unnecessary, ineligible for reimbursement, and not provided as represented.
7 AHCCCS paid the approximate amount of \$55,368,889 to TUSA's corporate
8 accounts for these false and fraudulent claims.

9 All in violation of 18 U.S.C. § 1349.

10

17 above, along with other individuals and entities known and unknown to the grand jury,

19 a health care benefit program and to obtain by means of false or fraudulent pretenses,
